

To our clients and friends –

The health and safety of our clients and associates have always been our highest priority at Gateway Bank. We are closely monitoring the evolving circumstances related to Coronavirus (COVID-19). Following the most current guidance from the Centers for Disease Control (CDC), state, and local agencies, we have taken several precautionary measures in response to COVID-19 with your physical and fiscal health in mind.

Branch lobbies temporarily closed

Gateway Bank is an essential business and will remain open during the Stay-at-Home order. As a preventative measure, Gateway Bank lobbies are temporarily closed starting Wednesday, March 18. Drive-thru service, ATM, and safe deposit box access will remain available. If you would like to speak with a banker, please call our main line at either location: Mendota Heights: 651-209-4800
Edina: 952-465-3890

Protecting your health in our branches

- We are sanitizing surfaces inside our branches every two hours, and each day after close.
- We are providing hand sanitizer for our clients and associates to use at our branches.
- Our associates are practicing enhanced hygiene habits.
- We have provided employees with preventative steps to stay healthy and are limiting associate business travel.

We recommend Gateway Bank clients take advantage of our digital banking services to access their accounts 24/7. You can manage your money quickly and securely from a safe and convenient location.

Digital banking services

Online and Mobile Banking provide an easy way to check your balance, transfer funds, pay bills, manage debit cards, and more.

Mobile Deposit allows you to deposit checks, for free, without visiting the bank.

Remote Deposit can be used to scan checks and transmit images electronically to the bank for deposit.

Additional services

ATM access is available, and clients can access their money without a fee using their Gateway Bank debit card at any ATM in the [MoneyPass Network](#).

Drive-thru services are available at both Gateway Bank branch locations during normal business hours.

Night Drop is available 24/7 outside each branch location to drop off deposits. Contact a banker for more details.

Thank you for your patience and understanding during this unprecedented time.
